## Fill in the gaps

Behind The Wall by Tracy Chapman

Last night I heard the screaming

Last night I heard the screaming	And as they (6) out the door
Loud (1) behind the wall	The tears well up in her eyes
Another sleepless night for me	Last night I heard the screaming
It won't do no (2) to call	Then a silence (7) chilled my soul
The police	Prayed that I was dreaming
Always come late	When I saw the ambulance in the road
If they come at all	And the policeman said
Last (3) I heard the screaming	'I'm here to keep the peace
Loud voices behind the wall	Will the crowd disperse
Another sleepless night for me	I (8) we all could use some sleep'
It won't do no (4) to call	Last night I heard the screaming
The police	Loud voices behind the wall
Always (5) late	Another sleepless night for me
If they come at all	It won't do no good to call
And when they arrive	The police
they say they can't interfere	Always (9) late
With domestic affairs	If they come at all
Between a man and his wife
