Everything has changed by Taylor Swift

All I knew this morning when I woke is

I know (1)_____ now, (2)_____

something now I didn't before

And all I've (3)_____ since 18 hours ago is

Green (4)_____ and freckles and your (5)_____

In the (6)_____ of my mind making me (7)_____ like

I just want to (8)_____ you better, (9)_____ you better

(10)_____ you better now

I just want to know you better, know you better

Know you better now

I just want to know you better, (11)_____ you better

Know you better now

I just want to know you, know you, know you

Because all I know is we said hello

And your eyes look like coming home

All I know is a simple name and everything has changed

All I (12)_____ is you held the door

You'll be mine and I'll be yours

All I (13)_____ since yesterday is everything has changed

And all my walls

Stood (14)_____ painted blue

But I'll take them down, (15)_____ them down

And open up the door for you

And all I feel in my stomach is (16)_____

The beautiful kind making up for lost time

Taking flight, making me feel like

I just want to know you better, know you better

Know you better now

I just want to know you better, know you better

Know you better now

I just want to know you better, know you better

Know you better now

I just want to know you, know you, know you

Because all I know is we said hello

And your eyes (17)_____ like (18)_____ home

All I know is a simple name and everything has changed

All I know is you held the door

You'll be mine and I'll be yours

All I know since yesterday is (19)_____ has changed

Come (20)_____ and tell me why I'm feeling like

I've missed you all this time

And meet me (21)_____ tonight

And let me know that it's not all in my mind

I just want to know you better, know you better

(22)_____ you better now

I just want to (23)_____ you, know you, know you

(24)_____ all I know is we said hello

And your eyes look like coming home

All I (25)_____ is a simple name and everything has changed

All I (26)_____ is you held the door

You'll be mine and I'll be yours
