

better

Fill in the gaps

Everything has changed by Taylor Swift

All I knew this morning when I (1) is	Know you better now
I know (2) now, know something now	I just want to know you, know you, know you
I didn't before	Because all I know is we (19) hello
And all I've (3) since 18 hours ago is	And your eyes (20) (21) coming home
Green eyes and freckles and your smile	All I know is a simple name and everything has changed
In the back of my mind making me feel like	All I know is you held the door
I just want to (4) you better, know you better	You'll be mine and I'll be yours
Know you better now	All I know since yesterday is everything has changed
I just want to know you better, know you better	Come back and tell me why I'm feeling (22)
(5) you better now	I've missed you all this time
I just want to know you better, know you better	And meet me there tonight
(6) you better now	And let me know that it's not all in my mind
I just want to know you, (7) you, know you	I just want to know you better, know you better
Because all I know is we said hello	Know you better now
And your eyes (8) like coming home	I just want to (23) you, (24) you, know
All I know is a simple name and (9)	you
has changed	Because all I know is we said hello
All I know is you (10) the door	And your eyes look (25) coming home
You'll be mine and I'll be yours	All I know is a simple name and everything has changed
All I know (11) yesterday is everything has	All I (26) is you held the door
changed	You'll be mine and I'll be yours
And all my walls	All I know since yesterday is everything has changed
Stood tall painted blue	All I know is we said hello
But I'll take them down, take them down	So (27) off (28) highest hopes
And open up the door for you	All I know is pouring rain
And all I (12) in my stomach is butterflies	And (29) has changed
The beautiful kind making up for lost time	All I know is a new found grace
(13) flight, making me feel like	All my days, I'll know your face
I just want to know you better, (14) you better	All I know since yesterday is (30)
Know you better now	has changed
I just (15) to know you better, know you better	
Know you (16) now	
I just want to (17) you better, (18) you
