You've got a fast car	I know things (16) get better
I've got a plan to get us out of here	You'll find work and I'll get promoted
Been working at the convenience store	We'll move out of the shelter
Managed to save just a little bit of money	Buy a bigger house and live in the suburbs
Won't (3) to drive too far	Say (17) (18) we were
Just cross the border and (4) the city	driving, driving in (19) car
You and I can both get jobs	Speeds so fast it felt like I was drunk
And finally see what it means to be living	City lights lay out (20) us
See my old man's got a problem	And your arm felt (21) (22)
Live with the bottle, that's the way it is	'round my shoulder
He says his body's too old for working	And I had a (23) that I belonged
His body's too young, to look (5) his	I had a feeling I could be someone, be someone, be someone
When mama (6) off and left him	You've got a fast car
She wanted more from life than he could give	I've got a job that pays all our bills
I said somebody's got to take (7) of him	You stay out drinking late at the bar
So I quit school and that's what I did	See more of (24) friends than you do of your kids
You've got a fast car	I'd always hoped for better
Is it fast (8) so we can fly away?	Thought maybe together you and me'd (25) it
We gotta make a decision	I got no plans and I ain't going nowhere
Leave tonight or live and die this way	So (26) your fast car and keep on driving
Say remember when we were driving, driving in your car	You've got a fast car
Speed so fast it felt (9) I was drunk	Is it fast enough so you can fly away?
