The Star Wars that I used to know by Teddie Films

Now and then I think of when I was in power
Like choking people with the Force until they died
But then you told them all my history
And took away my masculinity
And had my character portrayed by subpar actors
You are now addicted to an overuse of graphics
And making Greedo shoot first? Han shot first!
So when you tried to have the Force make sense
You introduced the midichlorians
And what's the deal with having me be dubbed over
But you didn't have to (1)_____ it all
Make them like they never (2)_____
And the fans are nothing
I don't even need your love
But you treat me like a Bantha and that feels so rough
No you didn't (3)_____ to make them blow
Have (4)_____ friends direct your movies
And they'll (5)_____ out better
You (6)_____ that you don't need them though
What happened to the Star Wars that I used to know?
What happened to the Star Wars that I used to know
What happened to the Star Wars that I used to know
What happened to the Star Wars that I used to know
Now and then I think of all the times
I screwed fans over
I had them believing that the first three films
Were really done

But (7)_____ Wars will be done my way
I don't care what they have to say
I think that they should let it go
Or they'll never get the Blu-Ray
Of the Star Wars (8)_____ you used to know
You didn't have to (9)_____ it all
No more puppets, no more practical effects or nothing
I don't even need your love
But you treat me like a Bantha and that feels so cold
No you didn't have to sell your soul
Do we really need to watch them all again in 3D?
Jar Jar was an all time low
