

## Fill in the gaps

Do you remember I searched you out?
How I climbed your city's walls
Do you remember me as devout?
How I prayed for (1) calls
I (2) still, it's what I did
Love like ours is never fixed
I stuck around
I did behave
I saved you every time
I was a fool for love
I was a (3) for love
I was a fool, I was a fool
Then you blamed me and blocked me out
How long did you think I'd last?
(4) you disappeared for weeks to pout
How many times (5) I pack?
But stand still is all I did
Love (6) ours is never fixed
Still I stuck around
I did behave

I saved you every time
I was a fool for love
I was a fool for love
I was a fool, I was a fool
If you're (7) that I might have changed
Left behind all of my foolish ways
You best be looking for somebody else
Without a foolish heart, a foolish heart
But (8) still is all we did
Love like (9) is never fixed
I stuck around
I did behave
I saved you every time
I was a fool for love
I was a fool for love
I was a fool, I was a fool
I was a fool, I was a fool
