

Fill in the gaps

I told you on the day we wed	If you go before I do
I was gonna love you till I's dead	I'm gonna tell the gravedigger that he better dig two
Made you wait till our (1) night	Dig two
That's the first and the last time I'll wear white	I took your name
So if the ties that bind ever do come loose	When I took (7) vows
Tie them in a (2) like a hangman's noose	I (8) them back then and I mean them right now
Because I'll go to heaven or I'll go to hell	Oh, right now
Before I'll see you with someone else	If the ties that bind ever do come loose
Put me in the ground	If forever ever ends for you
Put me six foot down	If that ring gets a little too tight
And let the stone say	You might as well read me my last rites
Here lies the girl whose only crutch	And let the stone say
Was (3) one man just a little too much	Here lies the girl whose only crutch
If you go before I do	Was loving one man just a little too much
I'm gonna tell the gravedigger that he better dig two	If you go before I do
Well, it won't be whiskey, it won't be meth	Gonna tell the gravedigger that he better dig -two, two-
It'll be your name on my last breath	There'll be a stone right next to mine
If divorce or death (4) do us part	We'll be together till the end of time
The coroner will (5) it a broken heart	Don't you go before I do
So put me in the ground	I'm gonna tell the gravedigger that he (9) dig
Put me six (6) down	two
And let the stone say	I (10) you on the day we wed
Here lies the girl whose only crutch	I was gonna love you till I's dead
Was loving one man just a little too much
