

Fill in the gaps

I told you on the day we wed	If you go before I do
I was (1) love you till I's dead	I'm (7) tell the gravedigger that he
Made you wait till our wedding night	(8) dig two
That's the first and the last time I'll (2) white	Dig two
So if the ties that (3) ever do come loose	I took your name
Tie them in a knot like a hangman's noose	When I took those vows
Because I'll go to heaven or I'll go to hell	I meant them back then and I mean them right now
Before I'll see you with someone else	Oh, right now
Put me in the ground	If the ties that bind ever do come loose
Put me six foot down	If forever ever ends for you
And let the stone say	If that ring gets a little too tight
Here lies the girl whose only crutch	You might as well read me my last rites
Was loving one man (4) a little too much	And let the stone say
If you go (5) I do	Here lies the girl whose only crutch
I'm gonna tell the gravedigger that he better dig two	Was loving one man just a little too much
Well, it won't be whiskey, it won't be meth	If you go before I do
It'll be your name on my last breath	Gonna tell the (9) that he
If divorce or death ever do us part	(10) dig -two, two-
The coroner will call it a broken heart	There'll be a stone right next to mine
So put me in the ground	We'll be together till the end of time
Put me six foot down	Don't you go before I do
And let the stone say	I'm gonna tell the gravedigger that he better dig two
Here lies the girl whose only crutch	I told you on the day we wed
Was loving one man just a (6) too much	I was gonna love you till I's dead
