

## Fill in the gaps

Help: I need somebody	r know that i just (2) you
Help! not just anybody	(3) I've never done before
Help! you know I need someone	Help me if you can, I'm (4)
Help!	(5)
When I was younger	And I do appreciate you being round
so much younger than today	Help me get my (6) back on the
I never needed	ground
anybody's help in any way	Won't you please, please help me?
And now these days are gone	When I was younger,
I'm not so (1) assured	So much younger than today
Now I find I've changed my mind	I never needed anybody's help in any way
I've opened up the doors	But now these days are gone,
Help me if you can	I'm not so self assured
	Now I find I've changed my mind
I'm feeling down	I've opened up the doors
And I do appreciate you being round	Help me if you can,
Help me get my feet back on the ground	
Won't you please, please help me?	I'm feeling down
And now my life has changed in oh so many	And I do appreciate you being (7)
ways	
My independence seems to vanish in the haze	Help me, get my feet back on the ground
And now these days are gone	Won't you please please help me?
I'm not so self assured	Help me, help me
