

You're in then you're out

Fill in the gaps

You change your mind	You're up (7) you're down
Like a girl (1) clothes	You're wrong when it's right
Yeah you P.M.S	It's black and it's white
Like a bitch	We fight we break up
I would know	We kiss we make up
And you over think	You, you don't really wanna stay
Always (2) cryptically	You, but you don't really wanna go
I should know	You're hot then you're cold
That you're no good for me	You're yes then you're no
Cause you're hot then you're cold	You're in then you're out
You're yes then you're no	You're up then you're down
You're in then you're out	So cold, so cold
You're up then you're down	Someone call the doctor
You're wrong when it's right	Got a case of love bi polar
It's (3) and it's white	(8) on a roller coaster
We fight we break up	And I can't get off this ride
We (4) we make up	You change your mind
You, you don't really wanna stay no	Like a girl changes clothes
You, but you don't really wanna go	Cause you're hot then you're cold
You're hot then you're cold	You're yes then you're no
You're yes then you're no	You're in (9) you're out
You're in then you're out	You're up then you're down
You're up (5) you're down	You're wrong when it's right
We used to be	It's black and it's white
Just like twins	We fight we break up
So insync	We kiss we make up
The same energy	You, you don't really wanna stay,
Now's a dead battery	You, but you don't really wanna go
Used to laugh	You're hot then you're cold
About nothing	You're yes then you're no
Now you're plain boring	You're in then you're out
I should know	You're up then you're down.
That you're not gonna change	You don't (10) wanna stay, yeah
Cause you're hot (6) you're cold	
You're yes then you're no
