

Fill in the gaps

Don't carry it all by The Decemberists

Here we come to a turning of the season			And this I swear to all			
(1)	_ to the arc towards the sun			And there a wreath of (5)	and ivy	
And neighbors' blessed burden within reason				Laid upon the body of a boy		
Becomes a burden born of all and one				Lazy Will the long come from its (6)	beam	
And nobody, nobody knows				Return this quiet searcher to the soil		
Let the yoke fall from our shoulders				So raise a glass to turnings of the season		
Don't carry it all, don't carry it all				And watch it as it arcs towards the sun		
We are all our hands and holders				And you must bear		
Beneath this bold and brilliant sun			your neighbor's burden within reason			
And this I swear to all				And your labors will be born (7) all is done		
Monument to build beneath the arbors				And nobody, nobody knows		
(2) a pli	inth that towers (3)		the	Let the yoke fall from our shoulders		
trees			Don't (8) it all, don't carry it all			
But every vessel pitching hard to starboard				We are all our hands and holders		
Lay its head on summer's freckled knees				Beneath this bold and brilliant sun		
And nobody, nobody knows				And this I swear to all		
Let the yoke fall from	m our shoulders			And this I swear to all		
Don't carry it all, do	n't carry it all			And this I (9) to all		
We are all our hand	s and holders					
Beneath this bold and (4) sun						
And this I swear to a	all
