

That they got drugs instead of brains

Fill in the gaps

(1)	a minute now (bis)	They drink blood at night, yes, they do	
I tried to listen, I can't keep up		Not everyone of them, but a few	
What was that you (2) saying?		But I ain't here to try spoiling your fun	
It was much too fast		And I ain't trying to be a cop	
You say they're born to lose		But my head is stuck in the guillotine	
And we (3) to win		And the blade is about to drop	
And when all is said and done		Wait a minute now	
All they do is sin		My light's out but you don't stop	
You say they're lazy and no good		More (7) time it was all that I got	
And they don't do the things they should		No need to worry	
I see your mouth move and (4)(5)		No need to fret, come on	
put		You'll be good, you'll be gone, understood?	
But I can't hear you because you're fading out		(8) come on, wait a minute now	
		Wait a minute now (bis)	
But I ain't here to try spoiling your fun		Wait a minute now	
And I (6) trying to be a cop		Wait a minute now	
But my head is stuck in the guillotine		Wait a minute now	
And the blade is about to drop		So hold up you wise up	
Wait a minute now		You wind you, you can't stop	
Wait a minute now (bis)		You don't (9) and you (10)	sto
Wait a minute now		You won't stop, you don't stop	
So baby wait a minute now		You won't wait a minute now	
If you want me to understand		Wait a minute now (bis)	
Because this is	s getting out of hand		
You say these	kids they're all insane
