

Fill in the gaps

You (1) standing with (2) girlfriends in	A little tenderness and truth, I didn't ask for much, no
he street	Talk about being at the wrong place
(3) back on forever	At the wrong time
I wonder what you came to be	Miss Atomic Bomb
I was new in town, the boy with the eager eyes	Making out we've got the radio on
I never was a quitter	You're gonna miss me when I'm gone
Oblivious to schoolgirls' lies	You're (18) (19) me when I'm gone
When I look back on those neon lights	Racing shadows under moonlight
The leather seats, the passage rite	We're taking chances on a hot night
I (4) the heat, I see the light	And for a second there we'd won
Miss Atomic Bomb	Yeah we were innocent and young
Making out, we've got the radio on	The dust cloud has settled, and my eyes are clear
You're gonna miss me when I'm gone	But sometimes in dreams of impact I (20) hear
You're (5) miss me when I'm gone	Miss Atomic Bomb, I'm standing here
Racing (6) (7) moonlight	Sweat on my skin
Through the desert on a hot night	And this (21) that I've cradled
And for a second (8) we'd won	Is wearing thin
Yeah, we were innocent and young	But I'm standing here and you're too late
(9) out of the night, (10) you've got a	Your shock wave whisper has (22) your fate
oolish heart	(23) just like a dagger
So you took your place	Buried deep in (24) back
But the fall from (11) was the hardest part	You run for cover
It feels just like a dagger	But you can't escape the second attack
Buried (12) in your back	Your soul was innocent
You run for cover	She kissed him and she painted it black
But you can't escape the second attack	You should (25) (26) your little
Your soul was innocent	(27) burning for love
She (13) him and she painted it black	-Miss Atomic Bomb-
You should have seen (14) little face	
(15) for love, holding on for (16)	
ife	
All that I (17) was a little touch
