

Fill in the gaps

Flowers in your hair by The Lumineers

When we (1) younger we thought	Be in my heart
Everyone was on our side	So now I think that I could
(2) we (3) a (4) bit	Love you back
And (5) the time I saw	And I hope (15) not too late
(6) in (7) hair	(16) you're attractive
So It takes a boy to live	And the way you move
It (8) a man to pretend he was there	I won't close my eyes
So then we (9) a (10) and knew a	So it takes a man to live
lot	It takes a (17) to make him compromise
And now we demonstrated it to the cops	So be in my eyes
And all the (11) what we said	And be in my heart
We were self-assured	Be in my eyes
(12) it's a long road to wisdom	Be in my heart
But (13) a (14) one to being	
ignored	
Be in my eyes	
And be in my heart	
Be in my eyes
