

Fill in the gaps

So you find a way to take a little with you
For the (16) you love, for the ones you love
For the (17) you love there's if (18)
need too
Pharaoh, pharaoh
Pharaoh they're not coming (19) you.
And we go back to where we came from
Like those before and those to come
And know it's the ever and the more
And again and again
So soon we, so (20) we
So soon we're too old to carry
And we knew it, and we knew it
Abd we (21) we only had a little while
In the middle, in the middle
In the (22) (23) keep ticking over
Before you know it, before you know it
Before you know it parent's a parent
And we go back to (24) we came from
Like those before and (25) to come
And know it's the (26) and the more
And again and again and again
