And we knew it, and we knew it
And we knew we only had a little while
In the middle, in the middle
In the middle just keep ticking over
Before you know it, (2) you know it
Before you know it parent's a parent
To have it all, to have it all
To have it all and still want more
One thing's for sure, one thing's for sure
One thing's for sure we're all getting older
So we take a lover, so we take a lover
So we take a (3) waiting in the corner
And before you know it, before you know it,
Before you know it, pushing up the daisies
And we go back to where we came from
Like those before and those to come
And know it's the ever and the more
And again and again we go
In the end, In the end
In the end (4) comes easy
So you find a way, so you find a way

So you (5) a way to (6) a little with you

For the ones you love there's if (7) need too

And we go back to where we came from
Like those before and those to come
And know it's the ever and the more
And again and again
