

## Fill in the gaps

Against the opinion	Any (6) we lose
I have decided to lay (1) my feelings	We're (7) lose control
With a (2) blow	Every time we fight
We lost our future and change ain't coming	We get a little stronger
What you gonna do?	Any time we lose
Do you remember?	We're gonna lose control
We were young and sober	Help me now
On (3) pavements we were the happiest soul	What you gonna do about it?
Kiss faces (4) that hurted one another	What you gonna do now about it?
What we gonna do about it?	What you gonna do about it?
Everytime we fight	What you gonna do now about it?
We get a little stronger	What you gonna do about it?
Any (5) we lose	What you gonna do about it?
We're gonna lose control	Every time we fight
Everytime we fight	We get a little stronger
We get a little stronger	Any time we lose
Any time we lose	We're gonna lose control
We're gonna lose control	Every time we fight
What to believe in when change ain't coming	We get a (8) stronger
Good luck avoiding the bitching down	Any (9) we lose
They watch you stealing	We're gonna lose control
It's how you left me feeling	(10) me now
What you gonna do about it?	
Every time we fight	
We get a little stronger
