

## Fill in the gaps

Against the opinion	Any (6) we lose
I (1) decided to lay (2) my feelings	We're gonna lose control
With a brutal blow	Every time we fight
We lost our future and change ain't coming	We get a little stronger
What you gonna do?	Any time we lose
Do you remember?	We're gonna lose control
We were young and sober	Help me now
On dirty pavements we were the happiest soul	What you gonna do (7) it?
Kiss faces carved that hurted one another	What you gonna do now about it?
What we gonna do about it?	What you gonna do about it?
Everytime we fight	What you gonna do now about it?
We get a little stronger	What you gonna do about it?
Any time we lose	What you gonna do about it?
We're gonna lose control	Every (8) we fight
Everytime we fight	We get a little stronger
We get a little stronger	Any (9) we lose
Any time we lose	We're gonna lose control
We're (3) lose control	Every time we fight
What to believe in when change ain't coming	We get a little stronger
(4) luck avoiding the bitching down	Any time we lose
They watch you stealing	We're (10) lose control
It's how you (5) me feeling	Help me now
What you gonna do about it?	
Every time we fight	
We get a little stronger
