

## Fill in the gaps

Standing, on the edge of forever,	There's progress now where there once was none,
At the start of whatever,	where there once was ah, then (8)
Shouting love at the world.	came along.
Back then, we were like cavemen,	Although no one understood,
We'd (1) at the moon and the stars,	we were holding back the flood
Then we forgave them.	learning how to dance the rain.
We will meet you where the lights are,	There was more of them (9) us
The defenders, of the faith we are.	now they'll never (10) again.
Where the thunder turns around	Although no one understood
they'll run so (2) we'll tear the ground away.	there was more of them than us
You know no one dies,	learning how to dance the rain,
in these love town lies,	We were holding back the flood
Through our love drowned eyes,	they said we'd never dance again.
we'll watch you sleep tonight.	We will meet you where the lights are,
Although no one understood	The defenders, of the faith we are.
we were holding back the flood,	Where the thunder turns around
Learning how to dance the rain.	they'll run so hard we'll tear the ground away.
We (3) holding (4) the flood	Although no one understood,
they said we'd never dance again.	there was more of them than us
Bleeding, but none of us leaving,	learning how to dance the rain.
Watch your mouth son or you'll find (5)	(learning how to dance the rain)
floating home.	There was more of them than us
Here we come now on a dark star,	now they'll never dance again.
seeing demons, not what we are.	Now we'll never dance again.
Tiny (6) and eager hands	Oh ahh, Oh ahh, Oh ahh, Oh aah, Oh ahh, Oh ahh.
hands will try to strike but now (7) end today.	

There's progress now where there once was none,	
where there once was ah, then (8)	
came along.	
Although no one understood,	
we were holding back the flood	
learning how to dance the rain.	
There was more of them (9) us	
now they'll never (10) again.	
Although no one understood	
there was more of them than us	
learning how to dance the rain,	
We were holding back the flood	
they said we'd never dance again.	
We will meet you where the lights are,	
The defenders, of the faith we are.	
Where the thunder turns around	
they'll run so hard we'll tear the ground away.	
Although no one understood,	
there was more of them than us	
learning how to dance the rain.	
(learning how to dance the rain)	
There was more of them than us
