

and there's a key that would open it

Fill in the gaps

View (from an airplane window) by The Monomes

It (1) so strange to be out of place				is lost (8)	my secrets
When you kn	ow you're	breathing	in	I miss you	
(2) air				I try to find you in my suitcase	
I search for feelings that I try to trace				My memories are	
With a gin and tonic (3) in my chair				locked inside a box	
The taste can spread				and there's a key that would open it	
but I know you aren't (4)				is lost inside my secrets	
And I'll hide myself in a bottle of beer				I miss you	
'Cause my memories are				I try to find you in my suitcase	
locked inside a box				Cerulean sky torn apart like a drum	
and there's a key that would open it				like a strum like a tear of my soul	
is lost inside my secrets				The man stood still with his mind aware	
I miss you				'Cause my memories are	
I try to find you in my suitcase				locked inside a box	
The sun is gone, but the light still burns				and there's a key that would open it	
The (5) up here				is lost inside my secrets	
makes me be the clear				I miss you	
Let me shake my ball				I try to find you in my suitcase	
and you will appear				My memories are	
Although I think tonight				locked inside a box	
I (6) be sleeping here				and there's a key that would open it	
(7) sky torn apart like a drum				is (9) inside my secrets	
like a strum				I miss you	
like a tear of my soul				I try to find you in my suitcase	
The man stood still with	his mind aware				
'cause my memories are	e				
locked inside a box
