

Fill in the gaps

Sweater weather by The Neighbourhood

And all I am is a man	Put my finger on your (18)
I want the world in my hands	(19) you (20) to taste
I hate the beach	This heart's a door
But I stand in (1) with my	Everyone the other be touched is for
(2) in the sand	Inside this place is warm
Use the sleeves on my sweater	Outside it starts to pour
Let's (3) an adventure	Coming down
(4) in the clouds but my gravity's centered	One love, two mouths
(5) my (6) and I'll touch yours	One love, one house
You in those (7) high waisted shorts	No shirt, no blouse
Oh, she (8) what I think about	Just us, you find out
And what I (9) about	(21) I really want to (22) you
One love, two mouths	about, no
One love, one house	Because it's too cold for you here
No shirt, no blouse	And now, so let me (23) (24)
Just us, you find out	(25) hands
Nothing I (10) want to tell you about, no	In the holes of my sweater
Because it's too cold for you here	Because it's too cold for you here
And now, so let me hold both your hands	And now, so let me hold both your hands
In the holes of my sweater	In the holes of my sweater
Before I may just take (11) breath away	Because it's too (26) for you here
I don't mind because now I might to say	And now, so let me hold both your hands
(12) the (13)	In the holes of my sweater
guides (14) mind	Because it's too cold for you here
So move to a place so far away	And now, let me hold both your hands
The (15) start to race	In the (27) of my sweater
The minute that my (16) hand	It's too cold, it's too cold
(17) your waist	The holes of my sweater
And then I watch your face
