Bed's too big without you by The Police

Bed's too big without you	All I gained was neartache
The cold wind blows (1) through my open door	All I made was one mistake, oh yeah
I can't sleep (2) your memory	Now the bed's too big without you
Dreaming dreams of what used to be	The bed's too big without you
(3) she left I was cold inside	The bed's too big without you, without you
That look on my face was just pride	Bed's too big (8) you
No regrets, no love, no tears	The cold wind (9) right through that open door
Living on my own was the least of my fears	I can't sleep with your memory
The bed's too big without you	Dreaming dreams of what used to be
The bed's too big without you	When she left I was (10) inside
The bed's too big without you, without you	Look on my face was just pride
(4) (5) day when you'd gone	No regrets, no love, no tears
Just had to carry on	Living on my own, the least of my fears
I get through the day, but late at night	The bed's too big without you
