Sympathy for the devil by The Rolling Stones

Stole many man's soul and faith	And I laid traps for troubadours
And I was 'round when (4) Christ	Who get killed (17) they reached Bombay
Had his moment of (5) and pain	Pleased to meet you
Made damn sure that Pilate	Hope you (18) my name, oh yeah
(6) his hands and sealed his fate	But what's puzzling you
Pleased to meet you	Is the (19) of my game, oh yeah, get down
(7) you guess my name	baby
But what's (8) you	(bis)
Is the nature of my (9)	Just as every cop is a criminal
I stuck around St. Petersburg	And all the sinners (20)
When I saw it was a time for a change	As (21) is tails
Killed the (10) and his ministers	Just (22) me Lucifer
Anastasia screamed in vain	'Cause I'm in need of (23)
I rode a tank held a general's rank	(24)
When the (11) raged	So if you meet me have some courtesy
And the bodies stank	Have some sympathy, and some taste
(12) to meet you	Use all your well-learned politesse
Hope you guess my name, oh yeah	Or I'll lay your soul to waste, um yeah
Ah, what's puzzling you	(25) to (26) you
Is the (13) of my game, oh yeah	(27) you guessed my name, um yeah
I (14) with glee (15)	But what's puzzling you
(16) kings and queens	Is the nature of my game, um mean it, get down
Fought for ten decades	
for the gods they made
