Fill in the gaps

Millionaires by The Script

The kick in our ass says it's time to close
We're leaning on each other
Trying to beat the cold
Carry your shoes and I (1)_____ you my coat
Walking these (2)_____
Like they were paved gold
There ain't anymore excuses not to go
Neither one of us want to take that taxi home
Singing our hearts out, standing on chairs
(3)_____ our time, like we were millionaires
Laughing our heads off, the two of us there
Spending our time like we were millionaires, millionaires
(4)_____ my heart and I hoped to die
Seeing that sunlight hit your eyes
Been up all (5)_____
But you still look amazing to me
Half the time of the night you only dream about
If God came down could take me now
Because in my mind, we will always be
Singing our hearts out, standing on chairs
Spending our time like we were millionaires
Laughing our heads off, the two of us there
Spending our time like we were millionaires, millionaires
Check out us since six in the morning
If time was money, yeah we'd be worth a fortune
I swear, you may think you're rich
You could have a million euro
But you can't buy this

And the band was on playing our song
We messed up the lyrics as we sang along
But we didn't care
Because it felt like we were the only ones there
Our feet were sure
Our thoughts were raw
They're turning on the lights, but we're (6)_____ more
We're shouting more
Singing our hearts out, standing on chairs
Spending our time like we were millionaires
Laughing our heads off, the two of us there
Spending our time like we were millionaires, millionaires
Check out us since six in the morning
If time was money, yeah we'd be worth a fortune
I swear, you may think you're rich
You could have a (7)_____ euro
But you can't buy this
Look at us since six in the morning
If time was money, yeah we'd be worth a fortune
I swear, you may think you're rich
You could have a (8)_____ euro
But you can't buy this
Walking these streets
Like they're paved gold
There ain't (9)_____ (10)_____ not to go
Neither one of us want to take that taxi home

Fill in the gaps

Answer

1. give
