

Fill in the gaps

It's (1) a while since the two of us talked	I was (14) on one (15) and you were
About a week since the day that you walked	mine for life
Knowing things (2) never be the same	We were thinking we would never be apart
With your empty heart and mine full of pain	With (16) (17) tattooed across my
So explain to me, how we came to this	heart
Take it back to the night we kissed	Who would have thought it would end up like this?
It was (3) city on a Friday night	Where everything we talked about is gone
There were (4) and coke, I was Guinness all	And the (18) chance we have of moving on
night	Is try to take it back (19) it all went wrong
We were sitting with our backs against the world	Before the worst, before we mend
Saying things that we thought but never heard	Before our hearts decide
Who would have thought it would end up (5) this?	It's time to love again
Where (6) we talked about is	Before too late
gone?	Before too long
And the only chance we have of moving on	Let's try to take it back (20) it all went wrong
Is try to (7) it back before it all went wrong	And if the (21) don't clear
Before the worst, before we mend	Then we'll rise above it, we'll (22) above it
Before our hearts decide	Heaven's gate is so near
It's time to love again	Come walk with me through
Before too late	Just like we used to, just (23) we used to
(8) too long	Let's take it back before it all (24) wrong
Let's try to (9) it back before it all went wrong	Before the worst, before we mend
There was a time	Before our (25) (26)
That we'd stay up all night	It's time to (27) again
Best (10) yet talking till the daylight	(28) too late
Took the joys alongside the pain	Before too long
With not (11) to loose, but so much to gain	Let's try to take it back (29) it all went wrong
Are you hearing me? Because I don't wanna miss you	
You were adrift on memory bliss	
In (12) Grafton (13) on a rainy	
night
