

Fill in the gaps

Before the worst by The Script

It's been a (1)_____ since the two of us talked
About a week since the day that you walked
Knowing things would (2)_____ be the same
With your empty heart and mine full of pain
So explain to me, how we came to this
Take it back to the night we kissed
It was Dublin (3)_____ on a Friday night
There were vodkas and coke, I was Guinness all night
We were sitting with our backs against the world
Saying things that we thought but never heard
Who would have thought it (4)_____ end up like this?
Where everything we talked about is gone?
And the only chance we (5)_____ of moving on
Is try to take it back before it all (6)_____ wrong
(7)_____ the worst, (8)_____ we mend
Before our hearts decide
It's time to love again
Before too late
Before too long
Let's try to take it back (9)_____ it all went wrong
There was a time
That we'd stay up all night
Best friends yet (10)_____ till the daylight
Took the joys alongside the pain
With not much to loose, but so much to gain
Are you hearing me? Because I don't wanna miss you
You were (11)_____ on (12)_____ bliss
In this (13)_____ Street on a (14)_____
night

I was down on one knee and you were mine for life
We were thinking we (15)_____ never be apart
With your name tattooed across my heart
Who (16)_____ have thought it would end up like
this?
Where everything we talked about is gone
And the only chance we have of moving on
Is try to take it (17)_____ before it all went wrong
Before the worst, before we mend
Before our hearts decide
It's time to love again
(18)_____ too late
(19)_____ too long
Let's try to take it back (20)_____ it all
(21)_____ wrong
And if the clouds don't clear
Then we'll rise (22)_____ it, we'll (23)_____
above it
Heaven's gate is so near
Come walk with me through
Just like we used to, just (24)_____ we used to
Let's take it back before it all went wrong
Before the worst, before we mend
Before our (25)_____ decide
It's time to (26)_____ again
Before too late
Before too long
Let's try to take it back before it all went wrong

Fill in the gaps

Answer

1. while
