

Fill in the gaps

vveicome (1) nome everyone,	God what a gift
as you know, I am now dead,	You tell me with your tongue
and this video shows my last (2) and testament.	And your breath (17) in the lungs
Between my three children,	And the flow that filled the rift
I couldn't decide which of you	I know that things can really get rough
to (3) the house to,	When you go in love
as each of you grew up (4) with me.	(18) go thinking you gotta be tough
So I (5) choose any of you,	Complete (19) a stone
because, as you know, each of you (6) my	Could be there's nothing else in our (20)
guts.	So (21) as this little hole.
(7) this is just a simple song	This isn't actually a deed to the house, I was kidding.
To see what you've done	Let's be honest,
I told you about all those fears	this (22) is full of awful memories for all of us,
And away they did run	so I've already sold the estate and I am having the house
You sure (8) be strong	demolished. But best of luck to all of you. Love,
Instead, I've hidden the deed somewhere in the house,	Dad,
and the first of you to find it gets everything,	Well this isn't be a (23) song
ready? get steady, go!	to say what (24) done
You feel like an ocean	I told you about all those fears
Being warmed by the sun	And away they did run
(9) I was (10) nine years old	You sure must be strong
I swear that I dreamt	P.S. The wrecking crew (25) at 2:00
Your face on a (11) field	p.m
And a kiss (12) I kept	And you feel like an ocean
Under my vest	Being warmed by the sun
Apart from everything, the heart in my chest	Remember walking a mile to your house
I know that things can really get rough	That glow in the dark
(13) you go in love	I made a fumbling play for your heart
Don't go thinking you gotta be tough	And the extra of the spark
(14) like a stone	You wore a charm in a chain
(15) be there's nothing else in our lives	That I (26) special for you
So critical as this little hole	Love's such a (27) (28)
My life in an action boat, marooned on a cliff	that we do
You brought me a (16) big flood	We've nothing to prove
And you gave me a lift	Which I never knew
