

Fill in the gaps

| Welcome back home everyone, | God (16) a gift |
|--|--|
| as you know, I am now dead, | You tell me with your tongue |
| and this (1) shows my last will and testament. | And your breath goes in the lungs |
| Between my three children, | And the flow that filled the rift |
| I couldn't decide which of you | I know that things can really get rough |
| to keep the house to, | When you go in love |
| as each of you grew up here with me. | Don't go thinking you gotta be tough |
| So I didn't (2) any of you, | (17) like a stone |
| because, as you know, each of you hates my guts. | Could be there's (18) else in our |
| Well this is just a simple song | (19) |
| To see what you've done | So critical as this little hole. |
| I told you (3) all those fears | This isn't actually a deed to the house, I was kidding. |
| And away (4) did run | Let's be honest, |
| You sure must be strong | (20) place is full of awful memories for all of us, |
| Instead, I've (5) the deed somewhere in | so I've already sold the estate and I am having the |
| the house, | (21) demolished. But best of luck to all of |
| and the first of you to find it gets everything, | you. Love, Dad , |
| ready? get steady, go! | Well this isn't be a simple song |
| You feel like an ocean | to say what you've done |
| Being warmed by the sun | I (22) you about all those fears |
| When I was just nine years old | And away (23) did run |
| I (6) that I dreamt | You (24) must be strong |
| Your face on a football field | P.S. The wrecking crew arrives at 2:00 p.m |
| And a kiss that I kept | And you feel like an ocean |
| Under my vest | Being warmed by the sun |
| Apart from everything, the heart in my chest | Remember walking a mile to your house |
| I know that (7) can (8) get | That glow in the dark |
| rough | I made a fumbling play for (25) heart |
| (9) you go in love | And the extra of the spark |
| Don't go (10) you gotta be tough | You wore a charm in a chain |
| Complete like a stone | That I stole (26) for you |
| Could be there's (11) in | Love's such a delicate (27) that we do |
| our lives | We've nothing to prove |
| So critical as (13) little hole | Which I (28) knew |
| My life in an (14) boat, | |
| (15) on a cliff | |
| You brought me a great big flood | |
| And you gave me a lift | |
