

Well I wish that I was comfortable in my own skin

Oh, I could bore you with the truth	But the whole (5) feels like an exercise
About an uneventful youth	I'm trying to be someone I would rather not be
Or you could get that rap from someone else	I'd try to second guess
And I could make an observation	If you would be approving
If you are the voice of a generation	I find my life ever so moving
But I'm too self-absorbed to give it clout	Keen wide-eyed and unassuming
And I, I don't really care about anybody else	No hope -Ok-
When I haven't got my own (1) figured out	There is no hope
Because when you're young and bored and 24	When there's desperately
And don't know who you are, nobody's no hope	No hope, when there's definitely
And it's hard to come of age	No hope, if you don't believe me
I think it's a problem	Yeah there is no hope
As I never go away	When there's desperately
And no, I am so self-obsessed I guess	No hope, (6) there's definitely
But there's no hope	No hope but if you don't believe me oh
But I hope it's just a phase	But I, I don't really care about anybody else
Or I'll grow	When I haven't got my own life figured out
Oh, I could (2) for inspiration	Because when you're 24 and young and bored
Find it in the track on an English station	And don't know who you are nobody's no hope
But weren't (3) be cheap and ill-informed?	And it's (7) to come of age
And I could bet you don't believe me	I think it's a problem
If I share a cape (4) deep within me	As I never go away
But I promise you I'm telling you the truth	And no, I am so self-obsessed I guess
And I, I don't really care about anybody else	But there's no hope
When I haven't got my own life figured out	But I hope it's just a phase
Because when you're 24 and young and bored	Or I'll grow
And don't know who you are nobody's no hope	There is no hope
And it's hard to come of age	I know it's a problem
I think it's a problem	It never (8) my way
As I never go away	I know I am so self-obsessed I guess
And no, I am so self-obsessed I guess	But there's no hope
But there's no hope	But I (9) just a phase
But I hope it's just a phase	Or I'll grow
