

Well I wish that I was comfortable in my own skin

Fill in the gaps

Oh, I could bore you with the truth	But the whole (16) feels like an exercise
About an uneventful youth	I'm (17) to be someone I (18)
Or you could get that rap from someone else	rather not be
And I could (1) an observation	(19) try to second guess
If you are the voice of a generation	If you (20) be approving
But I'm too self-absorbed to give it clout	I find my life ever so moving
And I, I don't really care about anybody else	(21) wide-eyed and unassuming
(2) I haven't got my own life figured out	No hope -Ok-
(3) when (4) young	There is no hope
and bored and 24	When there's desperately
And don't know who you are, nobody's no hope	No hope, when there's definitely
And it's hard to come of age	No hope, if you don't (22) me
I think it's a problem	Yeah there is no hope
As I (5) go away	When there's desperately
And no, I am so self-obsessed I guess	No hope, when there's definitely
But there's no hope	No hope but if you don't believe me oh
But I hope it's just a phase	But I, I (23) really care (24)
Or I'll grow	anybody else
Oh, I could look for inspiration	When I haven't got my own life figured out
Find it in the track on an English station	Because when (25) 24 and young and
But weren't that be cheap and ill-informed?	bored
And I could bet you don't (6) me	And don't know who you are nobody's no hope
If I share a cape from deep within me	And it's hard to come of age
But I promise you I'm (7) you the truth	I think it's a problem
And I, I don't (8) care about anybody	As I never go away
(9)	And no, I am so self-obsessed I guess
When I (10) got my own life figured	But there's no hope
out	But I hope it's (26) a phase
Because (11) you're 24 and (12) and	Or I'll grow
bored	There is no hope
And don't know who you are nobody's no hope	I know it's a problem
And it's hard to (13) of age	It never goes my way
I think it's a problem	I know I am so self-obsessed I guess
As I never go away	But there's no hope
And no, I am so self-obsessed I guess	But I hope (27) just a phase
But (14) no hope	Or I'll grow
But I hope (15) just a phase	
Or I'll grow
