

Fill in the gaps

Oh, I could bore you with the truth	But the whole thing feels like an exercise
About an uneventful youth	I'm trying to be someone I would rather not be
Or you could get that rap from someone else	I'd try to second guess
And I (1) make an observation	If you would be approving
If you are the voice of a generation	I find my life ever so moving
But I'm too self-absorbed to give it clout	Keen wide-eyed and unassuming
And I, I don't really care about anybody else	No hope -Ok-
When I haven't got my own life figured out	There is no hope
(2) when you're young and bored and 24	When there's desperately
And don't know who you are, nobody's no hope	No hope, when there's definitely
And (3) hard to come of age	No hope, if you don't believe me
I think it's a problem	Yeah there is no hope
As I never go away	When there's desperately
And no, I am so self-obsessed I guess	No hope, when there's definitely
But there's no hope	No hope but if you don't believe me oh
But I hope (4) just a phase	But I, I don't really (7) (8) anybody
Or I'll grow	else
Oh, I could look for inspiration	When I haven't got my own life figured out
Find it in the track on an English station	Because when you're 24 and young and bored
But weren't that be cheap and ill-informed?	And (9) (10) who you are
And I could bet you don't believe me	nobody's no hope
If I share a (5) from deep within me	And it's hard to come of age
But I promise you I'm telling you the truth	I think it's a problem
And I, I don't really care about anybody else	As I never go away
When I haven't got my own life figured out	And no, I am so self-obsessed I guess
Because when you're 24 and young and bored	But there's no hope
And don't know who you are nobody's no hope	But I hope it's just a phase
And it's hard to come of age	Or I'll grow
I (6) it's a problem	There is no hope
As I never go away	I know it's a problem
And no, I am so self-obsessed I guess	It never goes my way
But there's no hope	I know I am so self-obsessed I guess
But I hope it's just a phase	But there's no hope
Or I'll grow	But I hope it's just a phase
Well I wish that I was comfortable in my own skin	Or I'll grow
