Reboot the mission by The Wallflowers

Where you're going has no signs	-You've had it coming-
And you're not going in a straight line	I (14) my sight
You ought to have me on your mind	But not the vision
I dare you to (1) otherwise	(15) on the prize
Under the water, (2) water	Reboot the mission
You (3) (4) and you won't be	-You had it coming-
recovered	I lost my sight
You need a clue	But not the vision
Now come in closer	No matter how you use it, which way you swing
I wanna tell you, you had it coming	Even the longest day at some point ends
(5) on the prize	Now, throw your (16) off, hat in the ring
Reboot the mission	Show me a (17) shot, the whole thing
-You had it coming-	Now, welcome Jack, the new drummer
I lost my sight	He jammed (18) the mighty Joe Strumme
But not the vision	I see Rami, Greg and Stuart
Eyes on the prize	-What's up Jake?-
(6) the mission	I've gotta say Jay: we had it coming
-You had it coming-	Eyes on the prize
I lost my sight	(19) the mission
But not the vision	-Had this coming-
Move (7) body, look alive	I lost my sight
Don't you think it wants out sometime?	But not the vision
It's even (8) than you've implied	(20) on the prize
Dice on the table, let it ride	Reboot the mission
The movie's showing over the buildings	I lost my sight
Midnight shifts are (9) beginning	But not the vision
Let (10) (11) down, I want you singing	-Had this coming-
I've gotta say it: you had it coming	
(12) on the prize	
(13) the mission
