Reboot the mission by The Wallflowers

Where you're going has no signs	-You've had it coming-
And you're not (1) in a straight line	I lost my sight
You ought to have me on your mind	But not the vision
I dare you to think otherwise	Eyes on the prize
Under the water, more water	Reboot the mission
You keep (2) and you won't be recovered	-You had it coming-
You need a clue	I lost my sight
Now come in closer	But not the vision
I wanna tell you, you had it coming	No matter how you use it, which way you swing
(3) on the prize	Even the longest day at some (6) ends
Reboot the mission	Now, throw your shoes off, hat in the ring
-You had it coming-	Show me a hook shot, the (7) thing
I lost my sight	Now, welcome Jack, the new drummer
But not the vision	He jammed with the mighty Joe Strummer
Eyes on the prize	I see Rami, Greg and Stuart
Reboot the mission	-What's up Jake?-
-You had it coming-	I've gotta say (8) we had it coming
I lost my sight	Eyes on the prize
But not the vision	Reboot the mission
Move your body, look alive	-Had this coming-
Don't you think it wants out sometime?	I lost my sight
It's even better than you've implied	But not the vision
(4) on the table, let it ride	Eyes on the prize
The movie's showing over the buildings	Reboot the mission
Midnight shifts are just beginning	I lost my sight
Let your hair down, I want you singing	But not the vision
I've gotta say it: you had it coming	-Had (9) coming-
Eyes on the prize
