

Fill in the gaps

The high road by Three Days Grace

i told you i was nurt	(14) you straighten me out
Bleeding on the inside	Or make me (15) the (16) way around
I (1) you I was lost	I took the low road in
In the (2) of my life	I'll take the high road out
There's times I (3) (4) for you	I'll do whatever it takes
There's times I would have died for you	To be the mistake you can't live without
There's times it didn`t matter at all	Not now I'm not gonna give it away
Will you help me find the right way up	Not gonna let it go (17) to wake up someday
Or let me take the (5) way down?	Gone, gone
Will you straighten me out	The worst part is looking (18)
Or make me take the long way around?	(19) that
I took the low road in	I was wrong
I'll take the high road out	Help me find the right way up
I'll do whatever it takes	Or let me take the wrong way down
To be the (6) you can't live without	(20) you straighten me out
Standing in the dark	Or make me take the long way around?
I can see your shadow	I took the low road in
You're the only light	I'll take the high (21) out
That's breaking through the window	I'll do (22) it (23)
There's times I (7) alive for you	To be the mistake you can't (24) without
There's times I would (8) died for you	I'll do whatever it takes
There's (9) it (10)	To be the mistake you can't live without
(11) at all	
Will you help me (12) the right way up	
Or let me (13) the wrong way down?
