I used to wake up (1) night,
Bad dreams and my chest tight
You tell (2) friends on the telephone
It's not them what make you feel alone
And nothing ever stays the same
Why (3) we worry
about (4) our age
I wanna live under my own rules
Do what I want without (5) to you
Oh no I wanna (6) but I'm young
We were born the same day
Just been out having fun
Now it don't mean a thing to me or no one
I will live my life when my day comes
You sat me down on the kitchen floor
So drunk you wrote on the wall
You took your dress off and looked at me
You can't love what you can't see
And nothing ever stays the same
Why should we worry
about acting our age
I'll never tell you what to do

Oh no I wanna kill but I'm young We were born the same day Just been out (8) fun Now it don't mean a thing to me or no one I will live life my life when my day comes Oh no I just won't leave you like this You know I just can't leave you like this You know I just can't leave it Oh no I wanna kill but I'm young We (10) born the same day Just been out having fun Now it don't mean a thing to me or no one I will live my life when my day comes Oh no I wanna kill but I'm young We were born the same day Just been out having fun
