We crossed the line		
Who pushed you over		
It doesn't matter to you		
It matters to me		
We're cut adrift		
We're still floating		
I'm only hanging on		
To watch you go down		
My love		
I disappeared in you		
You disappeared from me		
I gave you everything you ever wanted		
It wasn't what you wanted		
The men who love you		
You hate the most
