

I'll fight back

Fill in the gaps

Hold the line	You won't (4) it
Never retreat and never break	Now I have to leave you
I've tried	I waited for you
But I'm addicted	I waited so long (I waited so (5) for you)
I can't lie	Thought you'd be (6)
Another step is in my sight	(You promised me the world when you returned)
Another step I'll see the light	Can't take anymore
I waited for you	(You're gonna come back empty handed)
I waited so long	I waited for you
Thought you'd be back	(You think I'll be waiting for you)
Can't take anymore	I waited so long
I (1) for you	(You better think again)
I waited so long	I'm not coming home
I'm not coming home	(You'd better (7) up)
Trust your words	Feel all alone
Tell me you're empty	(Cause You Know)
Cause you know, it hurts	I (8) for you
Her eyes were spilling	I waited so long
I was real	Thought you'd be back
(2) I not (3) back the fight	Can't take it anymore
My body racing out tonight.	I waited for you
I waited for you	I waited so long
I waited so long	I'm not coming home
Thought you'd be back	(9) all alone
Can't take it anymore	I've always waited for you
I waited for you	But don't expect to see me now
I waited so long	Your little plan fell through
I'm not coming home	(10) me what's wrong with you
Feel all alone.	I've always waited for you
Take it slow	But don't expect to see me now
You tell me sweetie	Your little plan fell through
Rest here with me	Tell me what's wrong with you
Don't move
