

Fill in the gaps

(1) the line		You won't expect it
(2)(3)	and never break	Now I have to leave you

But I'm addicted		I waited so (14) (I waited so (15) for
I can't lie		you)
Another step is in my sight		(16) you'd be (17)

Can't (5) anymore		handed)
I (6) for you		I waited for you
I (7) so long		(You (22) I'll be waiting for you)
I'm not coming home		I waited so long
Trust your words		(You better think again)
(8) me you're empty		I'm not coming home
Cause you know, it hurts		(You'd better wake up)
Her eyes were spilling		Feel all alone
I was real		(Cause You Know)
(9) I not held back the fight		I waited for you
My body racing out tonight.		I waited so long

Feel all alone.		But don't (25) to see me now
Take it slow		Your little plan fell through
You tell me sweetie		(26) me what's wrong with you
Rest (12) with me		I've (27) waited for you

		Tell me what's (28) with you
