But you treat me like a stranger	Now you're just somebody that I (10) to know
And that feels so rough	Somebody
No you didn't have to (5) so low	I used to know
Have your (6) collect your records	Now you're just somebody that I used to know
And then change your number	I used to know
I (7) that I don't need that though	That I used to know
Now you're just somebody that I used to know	I used to know
Now you're just somebody that I used to know	Somebody
Now you're just somebody that I used to know	
Now and then I think of all the times you screwed me over
