

## Fill in the gaps

### Somebody I used to know by Walk off the Earth

Now and then I think of when we were together  
Like when you said  
you felt so happy you could die  
I told myself that you were right for me  
But felt so lonely in your company  
But that was love and it's an ache I still remember  
You can get addicted to a certain kind of sadness  
(1)\_\_\_\_\_ resignation to the end  
Always the end  
So when we found that we could not make sense  
(2)\_\_\_\_\_ you said that we would still be friends  
But I'll admit that I was glad that it was over  
But you didn't have to cut me off  
Make out like it never happened  
And that we were nothing  
And I don't even need your love  
But you treat me like a stranger  
And that feels so rough  
No you didn't have to stoop so low  
Have your friends collect your records  
And then change your number  
I guess that I don't need that though  
Now you're just somebody that I used to know  
Now you're just somebody that I used to know  
Now you're just somebody (3)\_\_\_\_\_ I used to know  
Now and then I think of all the times you screwed me over  
But had me believing  
it was always something that I'd done

But I don't wanna live that way  
Reading into every word you say  
You said that you could let it go  
And I wouldn't catch you hung up on somebody  
that you used to know  
But you didn't (4)\_\_\_\_\_ to cut me off  
Make out (5)\_\_\_\_\_ it never happened  
And that we were nothing  
And I don't (6)\_\_\_\_\_ need your love  
But you treat me like a stranger  
And that feels so rough  
No you didn't have to stoop so low  
Have your friends collect your records  
And then change your number  
I guess that I don't need (7)\_\_\_\_\_ though  
Now you're just somebody that I (8)\_\_\_\_\_ to know  
Somebody  
I used to know  
Now you're just somebody that I used to know  
Somebody  
I used to know  
Now you're just somebody that I used to know  
I used to know  
That I used to know  
I used to know  
Somebody

Answer

1. Like
2. Well
3. that
4. have
5. like
6. even
7. that
8. used
