

Then say you like me

Fill in the gaps

She's the girl that no one ever knows		I'm (4)((5) down
And I say "hi"		I'm never giving up	
but (1)	too shy to say "Hello"	I'm never gonna leave	
She's just waiting for that one to take her hand		So put your hands up	
And shake her up, I bet I could		If you like me	
I wish my heart was always on her mind		Then say you like me	
Because she's on mine like all day all the time		It's time to fall (6)	my arms
Forget me not, forget me now		(7)	I've been waiting for too long
I've come too far to turn around		You're an angel	
I'm here tonight		Grab your halo	
(2)	I'm never going down	And let's fly, tonight	
(3)1	never giving up	Because I'm never (8) down
I'm never gonna leave		I'm never giving up	
So put your hands up		I'm never gonna leave	•
If you like me		So put your hands up	
Then say you like me		If you like me	
I'm never going down		Then say you like me	
I'm never giving up		(9)	I'm never going down
I'm never gonna leave		I'm never giving up	
So put your hands up		I'm never gonna leave	
If you like me		So put your hands up	
Then say you like me		If you like me	
She's the girl that no one ever knows		Then say you like me	
Works a double just to buy her clothes		I'm never going down	
Nicotine and faded dreams		I'm never giving up	
Baby just believe there's no one else like me		I'm never gonna leave	
Because I'm never going down		So put your hands up	
I'm never giving up		If you like me	
I'm never gonna leave		Then say you like me	
So put your hands up		Just say you like me
