

## Fill in the gaps

I (1) hold this anymore	I hang you up and then I pull you down
My hands are tired	<em></em>
Only waiting to let go	-Ryan, we've been through this a bunch of times, remember?
And I am waiting, still	I got a restraining order (11) you, and the
I used to know which way to turn	judge said
You were a (2) inside a tunnel in my head	you're not (12) to (13) to me
I try to follow, still	within 500 feet
<em>-l can't (3) you, man!</em>	<em>-I know, it's just that</em>
I try to follow, still	<em>-I don't want to (14) your excuses, no more</em>
<em>-This guy next to me won't stop singing!</em>	singing, ok?
It's (4) to see you, we are (5) now	I swear to God, if you (15) your mouth and start
And when I find you, you just turn around	singing
This is a black-and-white of you I've found	a pre-chorus That's it!
I hang you up and then I pull you down	I get lost sometimes
I hang you up and (6) I pull you down	Another year flies by
<em>-Yeah, can I get a (7) cheeseburger</em>	But I (16) if I try
and a large?	Memories of the light in your eyes
No more apologies from me	Can (17) me (18) in time
<em>-Hello?</em>	It's hard to see you, we are older now
My arms are tired of picking up what I put down	And (19) I find you, you just (20)
You're all I think of, still	around
I'm gonna miss you everyday	(21) is a black-and-white of you I found
I turn my back on (8) who won't believe	I hang you up and (22) I pull you down
And it gets lonely, still	It's hard to see you, we are older now
<em>-Oh my God!</em>	And when I (23) you, you just turn
<em>-What?</em>	(24)
It gets lonely, still	This is a black-and-white of you I found
<em>-It's my ex-boyfriend, where do you go, Ryan?</em>	I hang you up and (25) I pull you down
It's (9) to see you, we are older now	I (26) you up and then I pull you down
And when I (10) you, you just turn around	I hang you up and then I pull you down
This is a black-and-white of you I've found	I don't hear music anymore
I hang you up and then I pull you down	My ears are tired of all the pictures in the words
	Because you are in them, still
	<em>-You can sing me a pre-chorus anytime, call me</em>
