We come running by Youngblood Hawke

We (1) running	Soon they're going to hear the sound
We come (2)	The sound, the sound
We (3) running	When we (13) running
We come running	(14) go where we belong
Under a pale blue sky	Echoes in the dead of dawn
You never felt so cold	(15) they're (16) to (17)
Another sleepless night	the sound
How could you ever let go	The sound, the sound
How do you recognize	When we (18) running
The dirty face of gold	The sound, the sound
Behind that crooked line	When we come running
Where you never knew you'd go	Days go by
Headed for the open door	Feeling (19) and tired
Tell me what you're waiting for	Remember, always remember
Look across the (4) (5)	The sound, the sound
Soon they're going to hear the sound	When we come running
The sound, the (6)	The sound, the sound, the (20)
When we come running	When we come running
Never go where we belong	Headed for the (21) door
Echoes in the (7) of (8)	Tell me (22) you're waiting for
Soon they're going to know the sound	Look across the great divide
The sound, the (9)	Soon they're going to hear
When we come running	The sound, the sound, the (23)
The sound, the sound	When we come (24)
(10) we come running	The sound, the sound
When the world's gone quiet	When we come running
I see you dancing slow	The sound, the sound, the (25)
Feeling satisfied	When we (26) running
Where you never knew you'd go	When we come running
Headed for the open door	When we come running
Tell me (11) you're waiting for
