### The wind by Zac Brown Band

30,000 feet above the city where  
I fell in love with you  
And the fading concrete skyline  
Brings an urban (1)\_\_\_\_\_ that still rings true  
When I passed you on the street that day  
Should've let that red scarf fly away  
Like any chance I had of keeping you  
Like the Northern wind a blowing  
Yeah my lonely heart was frozen  
Never knew I'd find a way  
To break yours too  
Where the wind blows babe  
You can bet I'll be riding high with it  
Holding on for my dear life just like I always did  
Close your eyes babe, take a breath  
Say my (2)\_\_\_\_\_ and I'll be there  
My love will find you anywhere  
Anywhere my love  
The city lights look like a country sky  
Like staring at the stars turned upside down  
I wish I may, I wish I might  
Find it in your heart to stick around  
I hate it had to end this way  
Tomorrow is a brand new day  
And the chances here at love are (3)\_\_\_\_\_  
few  
Someone's out there waiting  
For a sweet good timing lady

To make you smile the way I always wanted to  
(4)\_\_\_\_\_ the wind blows babe  
You can bet I'll be (5)\_\_\_\_\_ high with it  
Holding on for my dear life just like I always did.  
Close your eyes babe, take a breath  
Say my name and I'll be there  
My love (6)\_\_\_\_\_ find you anywhere  
(7)\_\_\_\_\_ my love  
So I'll fly all night  
Our memory's my lullaby  
That love won't lie  
If it's love done right  
You'll be (8)\_\_\_\_\_ on the other side  
Arms open wide If love don't lie  
Lie, we can fly  
Where the wind blows babe  
You can bet I'll be riding high with it  
Holding on for my dear life (9)\_\_\_\_\_ like I always did  
Close your eyes babe, take a breath  
Say my name and I'll be there  
My love will find you anywhere  
Anywhere, my love will find you anywhere  
Anywhere, my love will find you anywhere  
(10)\_\_\_\_\_ my love
