30,000 feet above the city where	To (16) you (17) the way I always
I fell in (1) with you	wanted to
And the fading (2) skyline	Where the wind blows babe
Brings an urban (3) that still rings	You can bet I'll be riding high with it
(4)	Holding on for my dear life just like I always did.
(5) I passed you on the street that day	Close your eyes babe, take a breath
Should've let that red scarf fly away	Say my name and I'll be there
Like any chance I had of keeping you	My love will find you anywhere
Like the Northern wind a blowing	(18) my love
Yeah my lonely heart was frozen	So I'll fly all (19)
(6) knew I'd find a way	Our memory's my lullaby
To break yours too	That (20) won't lie
Where the wind blows babe	If it's love (21) right
You can bet I'll be riding high with it	You'll be waiting on the other side
Holding on for my (7) life just (8) I	(22) (23) wide If love don't lie
always did	Lie, we can fly
Close your (9) babe, take a breath	Where the wind blows babe
Say my name and I'll be there	You can bet I'll be riding high with it
My (10) (11) find you anywhere	Holding on for my dear (24) just like I always did
Anywhere my love	Close your eyes babe, take a breath
The city lights look like a (12) sky	Say my name and I'll be (25)
Like (13) at the stars turned upside down	My love will find you (26)
I wish I may, I wish I might	Anywhere, my love will find you (27)
Find it in your heart to stick around	Anywhere, my love will find you anywhere
I hate it had to end this way	(28) my love
Tomorrow is a brand new day	
And the chances (14) at love are	
(15) few	
Someone's out there waiting	
For a sweet good timing lady
