

Fill in the gaps

The wind by Zac Brown Band

30,000 feet above the city where
I fell in love with you
And the fading concrete skyline
Brings an urban lullaby that still rings true
When I passed you on the street that day
Should've let that red scarf fly away
Like any chance I had of keeping you
Like the Northern wind a blowing
Yeah my lonely heart was frozen
Never knew I'd find a way
To break yours too
Where the wind blows babe
You can bet I'll be riding high with it
Holding on for my dear life just like I always did
Close your eyes babe, take a breath
Say my name and I'll be there
My (1)_____ will find you anywhere
Anywhere my love
The city lights look like a country sky
Like staring at the stars turned upside down
I wish I may, I wish I might
Find it in your heart to stick around
I hate it had to end this way
Tomorrow is a (2)_____ new day
And the chances here at love are precious few
Someone's out there waiting
For a sweet good timing (3)_____

To make you (4)_____ the way I always wanted to
Where the wind blows babe
You can bet I'll be riding high with it
Holding on for my dear life just like I always did.
Close your eyes babe, take a breath
Say my name and I'll be there
My love will find you anywhere
Anywhere my love
So I'll fly all (5)_____
Our memory's my lullaby
That love won't lie
If it's love done right
You'll be (6)_____ on the other side
Arms open wide If love don't lie
Lie, we can fly
Where the wind blows babe
You can bet I'll be riding (7)_____ with it
Holding on for my dear life (8)_____ like I always did
Close your eyes babe, take a breath
Say my name and I'll be there
My love will (9)_____ you anywhere
Anywhere, my love will find you anywhere
Anywhere, my love will find you anywhere
(10)_____ my love

Fill in the gaps
