Leave It All To Me by Miranda Cosgrove & Drake Bell

(In five, four, three, two)	There's a dream in everyone
I know, you see	And it's all real
Somehow the (1) will change for me	I'm telling you just how I feel
And be so wonderful	So wake up the members of my nation
Live life, breathe air	It's your time to be
I (2) (3) we're gonna get there	There's no chance (16) you take one
And (4) so wonderful	And the (17) to see
I (5) make you (6) you mind	The (18) side of (19)
These things (7) all the time	situation
And it's all real	Some things are meant to be
I'm telling you just how I feel so	So (20) your best and leave the rest to me
Wake up the members of my nation	Leave it all to me (leave it all to me)
It's your time to be	So make it right (maybe you're right)
There's no (8) you	And see it through (you gotta)
(10) one	You (21) you won't be free until you
And it's time to see	Wake up the members of my nation
The brighter side of (11) situation	It's your time to be
Some things are (12) to be	There's no (22) unless you take one
So give your best and (13) the rest to me	And the time to see
I know	The (23) side of every situation
It's time	Some things are meant to be
To raise the hand (14) draws the line	So give it your best and (24) the (25)
And be so wonderful	to me
Golden sunshine	Leave it all to me (leave it all to me)
I know (15) gonna be mine	Leave it all to me
And feel so wonderful	Just leave it all to me
