

Fill in the gaps

(1) thought you were someone to die for		die for	Both you and me
I used to say I'd never been so much in love before			Like wrapped up in plastic
Now I know the meaning of forever			Don't know how we came to this
It's such a long time			I feel like I've been
When you're not having fun			Wrapped up in plastic
Remember how	we (2)(3)_		Never knew how life could be
together			Both you and me
They used to say	no one (4) see us c	oming one	Like wrapped up in plastic
by one			I don't know how
There was a time	when I thought we (5)	_ shake it	Somewhere we got off track
No matter what, we would always make it			I tried but I couldn't keep it in my heart
Don't (6)	_ how we (7) to this		I looked around
I feel like I've been			I (10) to get it back
Wrapped up in plastic			(Oh) Tell me how could we let it go
Never knew how life could be			Don't know how we came to this
Both you and me			I feel like I've been
Like (8)	up in plastic		Wrapped up in plastic
I always thought I was standing on solid ground			Now it's all gone
Now I feel like a record spinning 'round and 'round			Wrapped in plastic
I'm so lost in the world of I have to's			Did it all wrong
It's been a long time			Now we lost it
Since I had some fun			What a sad song
I used to be where the hot summer wind blows			Wrapped in plastic
There'd be no problems			Now it's all gone
No bad options standing in my way			Wrapped in plastic
Now I'm trapped			Now it's all gone
And no way to get out			
Don't know how we came to this			
I feel like I've been			
Wrapped up in plastic
