

## Fill in the gaps

I always thought you were someone to die for	Both you and me
I (1) to say I'd (2) been so	Like wrapped up in plastic
(3) in love before	Don't know how we came to this
Now I know the meaning of forever	I feel like I've been
It's (4) a long time	Wrapped up in plastic
When you're not having fun	Never (18) how (19) (20)
Remember how we always were together	be
They (5) to say no one would see us	Both you and me
(6) one by one	Like (21) up in plastic
There was a (7) when I thought we	I don't know how
(8) shake it	Somewhere we got off track
No matter what, we (9) always (10) it	I tried but I couldn't keep it in my heart
Don't know how we came to this	I looked around
I feel like I've been	I tried to get it back
Wrapped up in plastic	(Oh) Tell me how could we let it go
Never knew how (11) could be	Don't (22) how we came to this
Both you and me	I feel (23) I've been
Like wrapped up in plastic	Wrapped up in plastic
I always (12) I was standing on	Now it's all gone
(13) ground	Wrapped in plastic
Now I feel like a record spinning 'round and 'round	Did it all wrong
I'm so lost in the world of I have to's	Now we lost it
It's (14) a (15) time	What a sad song
Since I had some fun	Wrapped in plastic
I used to be where the hot summer wind blows	Now it's all gone
There'd be no problems	Wrapped in plastic
No bad options standing in my way	Now it's all gone
Now I'm trapped	
And no way to get out	
Don't know how we came to this	
I feel like I've been	
Wrapped up in plastic	
Never knew how (16) be
