

Never knew how life (8)_____ be

Fill in the gaps

I (1)	thought you were someone to die for		Both you and me	
I used to say I'd never been so much in love before			Like wrapped up in plastic	
Now I know the (2) of forever			Don't know how we came to this	
It's such a long time			I feel like I've been	
When you're not having fun			Wrapped up in plastic	
Remember how we always were together			Never knew how life could be	
They used to say no one (3) see us coming one		Both you and me		
by one			Like (9)	up in plastic
There was a time	when I (4)	we could	I don't know how	
shake it			Somewhere we got off track	
No (5) what, we would always make it		I tried but I couldn't keep it in my heart		
Don't (6) how we came to this		I looked around		
I feel like I've been		I tried to get it back		
Wrapped up in plastic		(Oh) Tell me how (10)_	we let it go	
Never knew how life could be			Don't know how we came to this	
Both you and me			I feel like I've been	
Like wrapped up in plastic			Wrapped up in plastic	
I always thought I was standing on solid ground			Now it's all gone	
Now I feel like a record spinning 'round and 'round			Wrapped in plastic	
I'm so lost in the world of I have to's			Did it all wrong	
It's been a long time			Now we lost it	
Since I had (7) fun		What a sad song		
I used to be where the hot summer wind blows		Wrapped in plastic		
There'd be no problems		Now it's all gone		
No bad options standing in my way		Wrapped in plastic		
Now I'm trapped		Now it's all gone		
And no way to get	out			
Don't know how we	e came to this			
I feel like I've been
